				Capstone Start Date		29 Mar 24	

Week	Session Plan	Milestones	Release Date	Capstone Mentorship Session Sat or Sun		Submissions by Students
Week 0	Capstone Orientation	Release Problem Statement (PO).	22 Mar 24	30 Mar 24 Capstone Orientation Session (Saturday)		
		Release group list (PO).				
		Release Interim report template (PO).				
		Release Final report template (PO).				
		Release Milestones/weekly plan (PO).				
		Expectation setting (PO).				
Week 1	Capstone Mentoring Session -1 : Discussion of Problem Statement, Delegation of responsibilities among team members, Planning the progress and approach to capstone	Interim Report Release	Interim Report Submission Release 5 Apr 24	6 Apr 24	7 Apr 24	-
		Problem Statement Discussion.				
		Dataset discussion				
		Inputs on how to approach this problem statement.				
Week 2	No session	Milestone 1:	-	PM Check IN		
		1. Data exploration and preproccessed data ready for model building.				
		2. Interim report 1st draft upto data preprocessing.				
Week 3	Capstone Mentoring Session 2 - Review of Notebook and Interim Report. Point out errors, suggest alternate methods, Doubt clarification, unblocking roadblocks.	Milestone 1:		20 Apr 24	21 Apr 24	Interim Report Submission Due 21 Apr 24
		1. Train a base model.				
		2. Include Base model in Intreim report.				
		3. Share notetbook & Interim report with mentor 1 day before session.				
		4. Mentor to share review comments with the group during session.				
		5. Groups to incorporate the changes and submit Interim report for evaluation.				
Week 4	No session	Final Report Release	Final Report Release 26 Apr 24	No Session		
		1. Experimenting with different approaches / algorithms / architectures to improve performance of the model.				
		2. Performane improvement using paramters / hyperparameters tuning.				
		3. Compare various model's performance to conclude best performing model.				
Week 5	Capstone Mentoring Session - 3 - Validation of the final notebook & final report and suggestions, inputs, correction before submission	Milestone 2:	-	4 May 24	5 May 24	--
		1. Update all progress in final report.				
		2. Share copy of notebook and final report with mentor 1 day before session.				
		3. Discuss additional inputs from mentor for performance improvement.				
		4. Discuss additional inputs from mentor for final report improvement.				
Week 6	Capstone Mentoring Session - 4- Presentation of capstone project by students to mentor	Milestone 2:	-	11 May 24	12 May 24	Final Report Submission Due 12 May 24
		1. Showcase all the improvements achieved during last week to the mentor.				
		2. Submit Final report and capstone work for evaluation.
